Dear Mr & Mrs Ignagni:

On behalf of The Whitby Sunrise Claudio "Nick" Sorichetti Charitable Foundation, we would like to recognize a donation from Pete and Cheryl Irvine received by us in memory of your son John Jr.

It is donations like this that will help the Foundation to fulfil its objectives. Our goal is to assist with youth educational programs, community projects, relief for the disabled and those living in poverty. A simple gesture like this can go to such things as helping an underprivileged child attend summer camp or assisting community projects both locally and abroad. These are just a few examples of what it may do.

I would also like to pass on my condolences on behalf of the Foundation.

Sincerely

David Sorichetti
